➤ Questions for Reflection by Alumni Panel

- What aspect of teaching have you found most difficult?
- What aspect of teaching have you found easy?
- Tell us something that you learned that was surprising to you.
- How do extra curricular activities play a role in your teaching position?
- How did you set yourself apart from the students. Why is this important?
- What are your summer plans? How do you plan on spending your time off?
- Have you thought about pursuing further education? Masters? What types of programs.....and why?
- Has your perspective on being a teacher changed? If so, how has it changed?
